

M&S Product List

Products That Are Suitable for VEGETARIANS

Dear Customer,

This is a list of M&S products that are suitable for vegetarians and these foods have been produced under controlled conditions to prevent any cross contamination.

This list of products has been divided into different food categories (such as bakery, meals and groceries) to make it easier to navigate through our ranges. This list does not contain categories such as fruits and vegetables, as these are the unprocessed raw products, or foods served at our fresh counters or restaurants and cafes due to the risk of cross contamination. Any of our M&S staff will be able to help you find products from this list in our stores.

Products on this list will not contain any of the following ingredients:

- Meat, fish or poultry protein or any products derived from slaughtered animals (e.g. animal lecithin, animal rennet)
- Animal carcass fats (including suet, lard or dripping)
- Meat, fish or bone stock
- Gelatine, aspic, cochineal or carmine

About Our Labelling

Our foods that are suitable for vegetarians will display the below statement on the back of pack.
